**T**he Class of 1940, in a last remembrance of our high school, presents to the underclassmen and the faculty of the University High School the first volume of THE MUMMY CASE.

We hope that the following pages will reflect the love and respect which we bear toward our school and one another.

# MUMMY CASE

When years have passed and our high school days become dimmer and dimmer, we may often wish to recall some of the incidents that today seem so trivial—incidents which, with the passing years, become sweet memories. The friendships we made will pass through our minds as we glance over these pages.

May these pages of life and color remain with you and bring back to memory the days at the University High School so dear to all of us.

THE EDITOR.

## DEDICATION

To Mr. Charles Paterson for his excellent work as director of band and orchestra, we, the class of 1940, dedicate this book. Through his ability and hearty cooperation, he has helped to make this year a success for us.

Since his appointment two years ago he has made a class A band—one of the best bands in Southern Illinois. No person in the history of University High has contributed so much to the development of the band.

He is well known on the campus as a band director, violinist, and song writer. As a violinist he has won many honors. He has written many songs. The past year he wrote two songs which are played at all athletic events and sung by all the students.

We seniors appreciate the work of Mr. Paterson. Through the long years of life, we will remember his good work. May the dedication of this book express, in a small way, the gratitude that is in our hearts.

HAL O. HALL

We, the class of 1940, know that a great deal of our work through the high school, especially in activities not connected with regular class work, has been promoted by the untiring service of our principal and friend, Mr. Hal Hall.

His work in the high school has become known all over the state. Our six-six system, student government, home rooms, annual, and other things have resulted from his efforts to make this school a better educational institution.

He has had constantly in mind the notion that we students need to be trained here in the high school to be useful citizens and members of our society. He has wanted and encouraged us to take an active part in many activities of the school so that we might be useful members of University High School, thus preparing us to be useful citizens when our school days are over.

We truly feel that each senior regards Mr. Hall very highly; he will not be forgotten.

## BASKETBALL

The 1940 Lynx cagers had a most successful year. They won first place in the Southern Conference tournament, when they eliminated Sesser and Valier and then defeated Hurst-Bush to gain the championship. The tired players fought their way to the semifinals in the district tournament, held at U.H.S., but were eliminated, ending the basketball season and the high school playing careers of ten members of the squad who will be lost when graduation completes their high school careers. They had eighteen wins and nine losses for the year—a good record for a small high school. Although they finished third in the conference race, winning seven and losing five, they are to be applauded for their good sportsmanship, school loyalty, and undying fighting spirit that pulled more than one game from the fire.

One reward for their efforts was to bring home a first place tournament trophy which was the first one U.H.S. has had in twenty-five years. As another reward for their loyalty and sportsmanship the Lynxes were to go to the state basketball tournament at Champaign. The trip was called off because the tickets could not be secured.

Coach Rockwell McCreight, their loyal friend and adviser in both victory and defeat, deserves the credit for the pilot duties. The boys feel he did more than his share in building up this championship team his second year at U.H.S.

## BASEBALL

Representing U.H.S. on the diamond the Lynx nine turned in a good performance when they finished in first division of the college intramural league. There was stiff competition when the more experienced college stars tried in vain to vanquish this "never-say-die" Lynx group. A first division berth showed they never let up a moment. Defeat was a word they never knew and it was never acknowledged until the final put-out was made. When the Southern Conference sponsored a softball tournament the Lynxes entered. Without having even practiced, the hard fighting Lynxes defeated Crab Orchard in the preliminaries and went into the semifinals against Goreville, and not until after a valiant fight did they give way to the stronger Goreville team.

The enthusiasm in which the Lynxes entered their games went far in helping them to add victories. Even in the darkest moments the fighting spirit and courage were always there and defeat did not daunt them. They were back the next time eager to put U.H.S. in the upper brackets of the baseball teams.

With the exception of one, the same team will be back to try to better their previous record and, if their spirit continues, it will be hard to keep them down. They will enter the softball tournament again this year better equipped to go through. They have their eye on that first place trophy.

*First row—Schroeder, East, Haenny, Benton, Davidson.  
Second row—Reynolds, Barnes, Cagle, Anderson.*

## TRACK

The '39 Lynx track squad came out of the season happy when they took second place honors in the Southern Conference meet. This was the first meet in the newly formed conference. U.H.S. men took blue ribbons in the 440- and 880-yard runs, the broad jump, and the javelin.

They face greater competition in track than any other branch of athletics in U.H.S. In many meets in which the Lynxes have placed there have been schools entered with more than two or three times the U.H.S. enrollment. The Lynxes were held back by the fact that they could enter only one man in each event. This is a serious handicap. In spite of the drawbacks the track men fought valiantly. Every boy tried to do his best in every meet of the year. They smiled at defeat and were rewarded by their second place trophy in the conference meet in which seven schools were entered. Only three of the veterans will be lost by graduation so the outlook for the coming season is very bright. The same boys will be back ready to bring U.H.S. up in the eyes of their fans and sport lovers.

Mr. Hal Hall, the capable coach of '39, will turn his duties over to Mr. McCreight who will strive to give U.H.S. another championship team on the cinders.

*First row—Weller, Schroeder, East, Haenny, Ross, Benton.*

*Second row—Reynolds, Metten, Barnes, Anderson, Dillow.*

## SENIOR BOYS IN SPORTS

Eleven senior boys will leave behind them a sports record that anyone would be proud to exhibit. From the beginning these boys have been striving to bring honor and recognition to U.H.S. Known only to those, who take part in these sports, is the back-breaking struggle and gruelling practice but this is pushed into the background by the thrill of knowing they have done something to help them toward the goal that U.H.S. is trying to achieve. Through tears and laughter these boys have gone through these four never-to-be-forgotten years. They will always cherish those memories in the years to come because they have helped to make U.H.S. a bigger and better recognized school.

The praise and honor gained by each individual was only a minor point for this group of boys; it was the personal satisfaction of serving U.H.S. that rewarded them more than anything else. School spirit, sportsmanship, and loyalty to their high school were the foremost thoughts in their minds on or off the field of athletics. Their absence will be felt by both the faculty and underclassmen. They have set an example that future athletes of U.H.S. will be proud to follow. They have done their duty and will move on to make room for others who will take up their work.

## Dramatics Club

The Dramatics Club, under the sponsorship of Miss Wells, takes care of the stage productions of University High School. Nothing is produced that is not of the highest calibre. Among the best productions of the year were those skits and sketches written by the students in the English classes. In the monthly meetings, various things are studied: outstanding actors of the American stage and screen; famous Broadway productions; stage technicalities, such as settings, lighting, producing, make-up; and the history of the stage and plays to represent each phase of its history.

At the bi-monthly meetings the members participate in programs of group singing, pictures, reports, lectures. One distinguished speaker on this year's program was Mrs. Eric Franzen who spoke on Germany. The objective of the club is to help keep alive the history of Illinois and its heroes. This year an excursion is being planned to the home of Lincoln at New Salem.

Field trips have been made to the Good Luck Glove Factory and to the office of the Carbondale Free Press. The club has planned trips to a coal mine and to the Ayer and Lord Tie Plant. At the club meetings experiments in chemistry and physics are performed. The club put on a demonstration on the intelligent and undesirable uses of alcohol. It was given before the science classes and the class in consumers' education.

Brunty, Elston, Schroeder, Russell, Klein, Hall, Robertson, Renfro.

## Girls' Glee Club

The Girls' Glee Club was organized this year by Mr. Floyd Wakeland, a teacher of music in the college. The glee club has sung at the Rotary Club and also at the Christian Church. The organization is very successful. It plans to enter the Southern Illinois contest in the spring. The members have great hopes to win in this contest.

The mixed chorus was organized by Mr. Wakeland. This type of extra-curricular activity has proved very popular. It is one of the largest organizations in the high school.

*First row*—Mitchell, Miles, Clemens, Carrington, Coral Bryant, DeLap, Smith, Greathouse, Gher, Christina Bryant, Schwartz.

The debate team was organized in the school year of 1939-40. It is sponsored by Donald Bryant and Halbert Guley. It participated in six debates and tied for fourth place in a conference with Goreville, Hurst-Bush, Sesser, Valier, and Waltonville. The purpose of the debate team was to give practice in public speaking and debating. The affirmative team, consisting of Robert Gum, Bob Hall, and Charles Sullivan, tied in two debates and lost one. The negative team, consisting of Paul Dallmann, Byron Brunty, and Gerald Quindry, won one debate, tied for one, and lost one.

*First row*—Hall, Gum, Sullivan.

*Second row*—Brunty, Quindry, Dallmann.

## Band

"Hae can ye dae ought if ye got nought tae dae ought wi?" is a Scotch expression of Mr. Paterson, meaning, "How can you do anything if you have nothing to do with?" With good material, the director has developed a good band. Within two years the band played itself into the state contest. New uniforms of maroon and white were secured this year.

*Standing*—McMillan, Allen, Greer, Hall, Betts, C. Yates, Cordtz, M. Moseley, Paterson,

## Orchestra

The orchestra is under the direction of Mr. Paterson. It is a small organization due partly to the fact that many high school classes are in session when the orchestra rehearses. It has played before the high school assembly. It has entered no contests because of its size; only large orchestras are permitted to enter the state contests. Members of the orchestra and band get individual and small group instruction from Mr. Paterson and his student teachers. The music played by the orchestra consists of a few marches and many light overtures.

*Seated*—Logue, Ragland Coral Bryant, Frank, Hawkins, Johnson, Christinia Bryant, Burger, Day, Miles.

## La Petite Réunion

Programs at the monthly meetings are conducted partly in French and consist of special numbers, games, songs, movies, etc. Outstanding features of the Christmas meeting were: flute duets, accordion solos, and exchange of gifts. Each spring the club participates in the All-High School French Contests (Southern Illinois). Last year the French II class won a prize with two puppet plays written by Bob Pulliam and Gladys Penninger. Bob Allen won first with a reading from Daudet. The last meeting of the year is a picnic trip and is always well attended.

Before the end of school they plan to take a trip to St. Louis to visit the famed Art Museum.

*Second row*—Robertson, Arnold (secretary-treasurer), Hart, Bahr, Meehan (president).

*Other members*—Barnes, Bowen, Forby, Roller, Smith.

KING RUSSELL THOMPSON

QUEEN AILEEN BARNARD

## All-School Party

A group of anxious faces, a gayly decorated gym, soft lights, and the music of our band made a perfect setting for the coronation of Queen Aileen Barnard and King Russell Thompson at the annual all-school party of University High. In the coronation parade were: the drum majors; the flower girls sprinkling flowers for their majesties' pathway; the crown bearers, Mary Ellen Potts escorted by Henry Benton, Virginia Thomas escorted by Jim Thomas, Barbara Schwartz escorted by Robert Reynolds; and the king and queen. The queen was crowned by the basketball captain, George Haenny, and the king by the G.A.A. president, Geraldine Travelstead.

Before the coronation a motion picture, *The Heeler*, starring Mickey Rooney, was shown in the Little Theater. Immediately following the coronation a dance was held in the gym. The students danced to the Hit Parade tunes of the week. Tag dances were very popular on the floor. Games were played in the Little Theater for those not interested in dancing. The most enjoyable games were Chinese checkers, wink, and pinochle. Refreshments were served by members of the Home Economics Department. The wide variety of entertainment enabled everyone to have a splendid time.

The all-school party was planned by the student council and its appointed committees. Lois Lee Burger was chairman of the group and it was through her planning and the cooperation of the committee members as well as the faculty sponsors that this party was a success.
